Nominated for the "2011 Global EBook Awards" in the "Reference" category.

This is a collection of English idioms, expressions, and phrases, and their meanings, along with sample sentences and the origins of some of these expressions. A number of humorous illustrations and some interesting expressions and proverbs from other languages and cultures have also been included.

Although initially written with foreigners in mind, it is now a useful and fun collection for anyone who speaks English, and will be referred to for many years to come. It's a great gift for a friend, or a fitting addition to your coffee table or office

waiting room.

Below are some of the reviews:

In one stop, your book has clarified the definition of many expressions I hear regularly, yet wasn't sure of their real meaning . I found the background and origin information to be very informative, clever, and, at times, very funny! It doesn't matter if you are "One taco short of a combination plate" or a "One-trick pony," you will enjoy this book!

Mark Sutton

San Diego, California

This is a great book to keep in your home, office, or brief case. The descriptions are brief and easy-to-understand, and I wish my Japanese mother had had a copy of it when she was raising me! It is a perfect choice for a gift for people who love to learn idioms.

Amy Smith

I expect that your readers will benefit greatly by learning the true meaning behind so many common expressions we take for granted... I hope many readers with English as their primary language will take seriously the importance of clarity in thought and speech... Congratulations upon completing a most daunting task, and thank you for allowing me to add my comments.

Dorothy Miller, Literary Consultant

I would imagine this would make a great reference book for individuals who are not as familiar with common phrases. It could also make a good reference for a writer. I found the cartoons to be entertaining and the book to be quite thorough. I do often wonder where certain phrases come from so I would have liked to see more background explanations for the phrases in the book. Other than that, I think this book can be a valuable resource.

Ler Livro Online English Idioms And Expressions For Everyone, Yes, Even You!

Reza Mashayekhi

Faça o download ou leia online English Idioms And Expressions For Everyone, Yes, Even You! Reza Mashayekhi , The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **english idioms and expressions for everyone, yes, even you!** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realise your english idioms and expressions for everyone, yes, even you! so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature til you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF

english idioms and expressions for everyone, yes, even you! are a good way to achieve details about operating certain products. Many products that you buy can be obtained using instruction manuals. These user guides are clearly built to give step-by-step information about how you ought to go ahead in operating certain equipments. A handbook is really a user's guide to operating the equipments. Should you lose your best guide or even the product would not provide an instructions, you can easily obtain one on the net. You can search for the manual of your choice online. Here, it is possible to work with google to browse through the available user guide and find the main one you'll need. On the net, you'll be able to discover the manual that you might want with great ease and simplicity
